

APEX Staffing Service

The Apex Gazette

Apex is Growing and Expanding!

Special points of interest:

- Growth and Expansion
- Referral Bonuses
- Joint Commission
- Continuing Education
- On the Lighter side

It is with great excitement that we can tell you about some thrilling new events! Over the past couple of months, we have signed new contracts with four LA hospitals and will be staffing those hospitals immediately. Combined with the needs of our current hospital list, our phones have been ringing non-stop looking for Cath Lab / IR RNs and RTs! If you or anyone you know are interested in full time work or per diem shifts, please give us a call or pass along our name and information.

Additionally, we are expanding! We are currently recruiting nurses for the ER / ICU and will be staffing those areas of the hospital very

soon (see Referral Bonuses below). Thanks to the great reputation you have helped to create, we are building on that success and hard work.

With that, we would like to extend a heartfelt *Thank You!* We appreciate all the hard work everyone has put in over the past couple of years. Apex Staffing is recognized as a leading company in the Cath Lab / IR staffing industry, consistently providing the highest quality RNs, RTs and CVTs. It is because of this dedication and professionalism that we remain ahead of our competition.

Referral Bonuses (\$200!)

We are always looking for Cath Lab / IR RNs and RTs. We are constantly receiving requests for shifts at all of our hospitals and have consistent work for anyone interested in working full time or just looking for a few extra shifts per month. If you know of anyone

looking for a little extra money, please pass along our information.

With our expansion into the ER and ICU, we are also looking for specialty nurses qualified for those areas. If you know anyone interested in registry work in those

areas, please have them give us a call.

We will be offering a cash referral bonus of \$200 to anyone who has referred a candidate who signs up with Apex and works a minimum of 100 hours. Easy money!!

Regular Business Hours
Monday-Friday 8:00 - 4:30

**Phones are forwarded to a supervisor after
hours and on weekends**
**In the event of an emergency, please call
the Apex office.**

Joint Commission Certification

We passed our Joint Commission audit in January and want to thank everyone for their cooperation during that arduous process. We know that it is tedious making sure all of your licenses and credentials are up to date for the Commission and want to extend our deepest appreciation for the hard work and understanding. The Joint Commission is a critical element of our success and we want to make sure we stay in good standing with our accreditation.

Continuing Education

We all need to complete varying levels of continuing education to renew our licenses. Let me be the first to acknowledge this is not any of our favorite subjects, but one we have to deal with nonetheless. **Please, please, please send us proof of completed CEUs** so that if we are audited by a hospital we have the necessary documentation. The following are a few websites where you can earn FREE CEU credit:

- www.cardiovillage.com
- www.arst.org
- www.arrt.org
- www.bostonscientific.com

Please complete a few and send us a copy of the certificate via mail, email or fax. Thanks so much for your cooperation!

On the Lighter Side.....with Chuck Norris

Clark Kent had to call himself "Superman" because Chuck Norris was already taken.

Chuck Norris' tears can cure cancer. Too bad he has never cried.

Life insurance costs are based on how far away Chuck Norris is.

Chuck Norris counted to infinity....twice.

Chuck Norris can win a game of Connect Four in three moves.

Chuck Norris ordered a Big Mac at Burger King...and got one.

Some magicians can walk on water. Chuck Norris can swim through land.
